

REMARKS

In response to the Election Requirement mailed August 11, 2006, Applicant elects the species shown in Figure 6. Claims 1-6, 11-15, and 20 are believed to read on the elected species, of which Claims 1-3 and 11-13 are generic, as stated by the Examiner. Claims 7-10 and 16-19 are withdrawn.

The Examiner is requested to reconsider his Species Election Requirement because all of the species are drawn to subject matter which are so related to each other that an undue burden would not be placed upon the Examiner by maintaining both species in a single application.

Favorable consideration of this application is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: Aug. 30, 2006
